This is the
moment of
truth, Annie...

On this next
toss, I'll either
break my record
for most balls
caught while lying
on my back...

...Or I'll
break my
record for most
consecutive
times I've
failed to
break my
record!

Well that is
certainly an
optimistic way of
looking at it.

Yep!
Either way,
I can't
lose!

All right,
then!
Are you
watching?

Because
you're about
to witness
history!
